EXPERIENCE

FREELANCE PHOTOGRAPHER (2020 - PRESENT)

- Producing high quality photographs and edits for clients and stakeholders, with a fast turn around.
- Delivering visual content in a range of formats appropriate for different social media platforms.
- Working in high pressure and fast locations, with variable lighting.
- Planning and discussing innovative briefs and ideas with clients before shooting.
- Photographing in the studio, using Profoto and tethered capture to fulfill both product and client shoots.
- Football match photography, shooting and editing in outdoor environments.
- Managing multiple projects with different deadlines by using an organised workflow and storage system.
- Exhibition and catalogue curation, working with a team of people across different departments.
- Producing social assets and graphics, with consistent branding, for a virtual music festival in 2020.
